

# COUNTY OF YORK

## MEMORANDUM

**DATE:** May 20, 2004 (BOS Mtg. 6/1/04)

**TO:** York County Board of Supervisors

**FROM:** James O. McReynolds, County Administrator

**SUBJECT:** Eastern Virginia Mountainbike Association

The Board of Supervisors has approved plans to develop additional amenities in New Quarter Park. Where possible, it is the practice of County government to form partnerships with citizens and civic organizations to better accomplish the tasks at hand. That approach has recently been beautifully demonstrated by the Eastern Virginia Mountainbike Association. Association members volunteered over 1,000 hours to design and construct five miles of bike trails at New Quarter Park. This contribution to the citizens of York County and of the region has a value estimated in excess of \$17,000.

Resolution R04-90 expresses the appreciation of the Board of Supervisors and commends the Association for their contribution and commitment to community. The Resolution will be formally presented at ceremonies to be scheduled for mid-July dedicating the new facilities at the Park.
